“ To Ms. Doris, You will be greatly missed!!! You have been a friend of my family for over 50 years. You always greeted me with a warm smile. You ministered to me by doing my hair, but you were not the typical hairstylist. You were a hairstylist and more. You bought me a coat when I was a little girl. And you were a BFF to my Mom Barbara. Thanks for all your love, generosity, and encouragement over all the years. I Love You!!!

“ Ms. Doris, where do I start? You were so instrumental in my life as a young girl. You gave me my first job. I thought I was the bomb because I was your shampoo girl at the Golden Comb....lol. You gave me a work ethic like no other. You never scolded but you shaped and for that I will forever love you. Sometimes people don't know the effect that they have on your life but as an older adult I was able to share that with you. I will forever remember the last hugs. You were a beautiful person inside and out. My sincerest condolences are extended to the children of Ms. Doris. She was well loved!
