“ *While I did not know Doris personally, my 80 year old Mom, Valerie Rheubottom has mention of a "cousin" Doris to me as a child and as an adult. I would like to think that the beautiful lady in the picture is "cousin" Doris. I know that you are in the arms of the "Savior" Dear Doris and on behalf of the Rheubottom family from Brooklyn, New York we offer our heart felt sorrow to the surviving family. Christ is the author and finisher of our faith.##imported-begin##Gregory Rheubottom##imported-end##*

“ *I am sorry to learn about the loss of Doris. I am sure that this must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*
