“ *Dear Michelle, Your mother's passing is a tremendous loss...to you, to your son, to us--your larger family--and to anyone and everyone who knew her. She was a woman of many wonders. She was vibrant, thoughtful, witty, kind, loving, caring, and blessed with seemingly endless energy. She was also devoted to her family, including--in every possible way--her family of in-laws. This is such a painful time. I truly regret that I cannot be there to share it with you in body. Please know, however, that my heart and my spirit are with you and with Christopher. “ Michelle and Chris, Aunt Dot was a blessed angel to all of us. I hearten you and rest of the family to keep the faith and recognize that she is flying under God's wing. And, we will never forget our love one who isn't here, her spirit speaks to us as we open our ears. We must continue to show our ancestors that we have no fear and continue to pass love and knowledge to the rest of our family. She was so comforting during Norma's viewing and consoled Michael (Norma's son) during such a difficult time. Most angels have an affect on calming individuals during a critical point in their lives and Aunt Dot was no different (thank God). Aunt Dot will be a treasured presence in our minds and hearts always. Love, peace, and continuous blessings to you for ever and a day. “ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##
