“ My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).

*I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.*
