“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

*I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.*

“ *To the Family of Dorothy Mae Booker:  
I was reading about the death of your family member and I wanted to write to say how sorry I was to read of it. Also to share some comforting news from the bible. The bible tells us at 1 Corinthians 15:26 that 'the last enemy death is to be brought to nothing. So according to that scripture God is going to get rid of death. The bible also says at Revelation 21:4 that there 'will be no more death, sickness, pain, mourning nor outcry.' it goes on to say the former things have passed away. So God is a God of love and does not want us suffering. Well I hope these scriptures have been of comfort to you. If you have any questions or comments please e-mail me or go to [www.jw.org](http://www.jw.org).*

“ To the Booker/Bolling Family,

*For some reason for the past month, I have had the entire family on my mind and wondered how to get in touch with you. I am sorry it comes on this sad occasion. I had the pleasure of speaking with Dorothy Mae a few years past and we shared a laugh or too. I will always remember and appreciate the kindness she and the family has always shown me. May God walk beside you and guide you as you go through this difficult time. If I was not in Michigan I would certainly be in attendance, but I will be there in spirit. I remain.*
