“ I remember several good conversations with Cousin Dorothy and Cousin Al, especially over the past few years. Cousin Dorothy and I would talk about family and what was going on down there with everyone in VA, and what was going on here in DE with me, my wife, and my children. We also had many conversations about the goodness of the Lord, as Cousin Dorothy knew I like to talk about this. I also remember her sense of humor. A little less than a month ago Cousin Dorothy and I were talking and she mentioned that she was enjoying her breakfast and some homemade biscuits. I told her that sounds good, I became hungry and I looked in my refrigerator to see if I had any biscuits. Before I realized that I did not, she said, "that does sound good, too bad you don't have any", and then she laughed. Then she paused, and we both laughed, Lol. While I am glad she is in the Presence and Hands of the Lord, where there is not more pain or sorrow. She will also be missed. Love you family.

Sincerely,
Oshal High and the High Family

“ My childhood was special because I remember the times I interacted with Dorothy when I visited my father's sister, her mother.? She was always fun and I think I inherited her sense of humor.
