“ To the family of Dorothy Pearson: I want to express my sympathy and offer some comforting words that has helped me during my time of deep sorrow. "One suffers when a loved one dies because death is a loss to a void beyond all understanding." But the Bible offers hope for our dear loved one at John 5:28,29 which says, "the hour is coming in which all those in the menorial tombs will hear his (Jesus) voice and come out, and John 11:25 says, "He that exercises faith in me, even though he dies , will come to life." So, the Bible offers us hope of being reunited with our dear loved one on a paradise earth, which is so near at hand. Psalms 37:29 says "the righteous themselves will posses the earth." Please accept my condolence.##imported-begin##Ruth Thomas##imported-end##
