“ We are often told that time has a way of healing all pain and sorrow, I hope that the time that has passed is helping you to start on the road to recovery, it's a road that never ends, but at the same time it does bring a great measure of relief, as the days go by the pain will get to the point where you will be able to focus not on your loss, but on all the love joys and blessings you shared by having miss Dorothy in your lives, may you continue to find much comfort in calling on the God of tender mercy (2 Corinthians 1:2-4). My deepest sympathy to all of you.##imported-begin##JOSEPHINE##imported-end##

“ I wish to send my heartfelt condolences to the family of Dorothy. May the hope of the ressurection be a source of strength to you, because God has promised that all who put faith in the ransom of his son Jesus, will be brought back to life. John 3:16 reminds us: "For God loved the world so much,that he gave his only-begotten son so that everyone exercising faith in him might not be destroyed, but have everlasting life." I hope that you find much comfort in the scriptures to help you to go on.##imported-begin##Rita Johnson##imported-end##

“ *The Broken Chain "We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories, your love is still our guide, and though we cannot see you, you are always by our side. Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again." Thank you Miss Dorothy for your service to nurisng, we will miss you.
