“ My God continue to bless and keep the family. Mrs. Dorothy Williams and I worked at the Baltimore County Bureau of Corrections. Mrs. Williams was definitely a true role model for all women, for the accomplishments that she has made, and for also being the Administrator at the Detention Center. Mrs. Williams talked with me and encouraged me to return to college, she was such an inspiration. I am presently matriculating at Coppin State College with a major in Criminal Justice. The Baltimore County Bureau of Corrections selected me as their Employee of the Year for 2001- 2002. TO GOD BE THE GLORY FOR THE GREAT THINGS HE HAS DONE.##imported-begin##Officer Clinette Gamble##imported-end##

“ Dear Family Members, I was saddened to learn of Dorothy's death. I met Dorothy through the NIC's Executive Excellence program and our paths crossed several times in the years that followed. I was always impressed by her professionalism and her cooperative spirit. I know that her death leaves a tremendous void for those who worked with her and especially for those who knew her and loved her as a family member and friend. My thoughts and prayers will remain with you during this difficult time. Again, I am sorry for your loss. If there is anything that I can do now or in the future, please do not hesitate to call on me. Sincerely, William W. “ Dorothy Williams is my grandma. She was really special to me, she has her own style & way to handling things. She is like....an older version to one of my friends at school. I say that because you could always talk with her about all of your problems , but after talking with her she would always have many suggestions to what you could do. I would just like to say that I love her with all my heart, and that I will remember all the good times I had with her.##imported-begin##Veonka McCreay##imported-end##

“ I came across the obituary notice in the paper. I'm sorry to hear of your mother's passing. My father also passed away from cancer. I read the article in the paper and was inspired by it. I was inspired because at 27 years old she obtained her high school diploma. Then went on to get her masters degree. I just think your mom is amazing to have accomplished all that she did. I don't think time ever heals the loss of a loved one. Especially when you lose a mother. I don't know what I would do if I lost my mom. All I can say is remember and hold on to all the good memories. Know physically she is not here, but her spirit will always live on and in the hearts and memories of all those who loved her. Sometimes our loved ones are taken away and its really hard to understand why. My prayer is that the Lord is with you all in your time of need. I'm sure that he is-again i'm very sorry for the loss of your mom. Sincerely

“ Dorothy's legacy: love for her family and respect for all humankind. Dorothy's life was devoted to inspiring others to the greatest heights they were capable of attaining. She was successful with her life's work. Some people leave monuments, others, things of monetary value; Dorothy's legacy of love and respect will have never ending impact on those she touched, their families and generations to come. My thoughts and prayers are with her family.###imported-begin###Jan Burgess###imported-end##

“ The Psalmist reminds us that "weeping may endure for a night, but joy comes with the morning." Your mother has passed through that long night of weeping and has now safely reached the morning of God's own embrace. There is no sorrow in the rest she has found, only the joy of the faithful. Each of you have reason to rejoice with her in the freedom she has found from her pain. May you all find peace in knowing that in the fullness of time you will see her again and there will be no tears in heaven. May God protect and care for you all until that day. With love, Sarah and Joshua.##imported-begin##Sarah Pringle-Lewis##imported-end##
