“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hi Jackson's !May you all find joy in knowing that others care.Time seen to go by so fast, it has almost been a year since Dorthy die. There are so many things to remind us of joy in living. Our lives can be cut short when we die. The bible say at Ps. 90:10 , that because of mighty some may live to 70 , but special mighty some could lived to 80 or 90. Many people are living longer these days. Death is not our friend. Our greates friend is our heavenly father who will bring an end to all things that make us sad.Good news . I hope these few thoughts have been uplifting to the family. My condolences. Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##
