

Durell M. Evans

August 26, 1986 - November 21, 2015

Durell M. Evans, son of Sharon Hicks-Walker and the late Elijah Evan was born on August 22, 1986 in Baltimore, Maryland. He departed this life abruptly on November 21, 2015. Yes, gone too soon!

Durell was baptized at Gillis Memorial Church. He received his education in his community local elementary, junior high and senior high schools. He also spent seven and a half years at the school of hard knocks in which he came home with higher education and got a full time job a month later at McCormick/Aramark-Hunt Valley Plant.

Durell became a very good, devoted father and had two children with his childhood sweetheart, Sierra Johnson, of fourteen years. Durell was one of the realest, humble, upstanding, compassionate, nice, devoted and caring person anyone could meet. Very loyal! He was soft spoken, but yet he knew how to roar when things didn't set well with him. He was a people's person and had numerous friends, which he took time out to leave good energy with, every last one of them. I'm not speaking just from my view as his mother, you all met him, and he was like an extra limb on each and every one of you who took the time to know him.

Durell leaves to mourn: his mother, Sharon Hicks-Walker; one son, Durell, Jr.; one daughter, Dierra Monet; his sister, slash best friend "Latasha-tom Jones"

Evans Dawkins; sis, Barbara; brothers, Len and Junior (Clayton preceded him in death); two sisters-in-law, Maxine and Carolyn; one brother-in-law, Emmanuel Dawkins; one very devoted niece, Dashae Grant; nephews, Desmond, Derrick and Emmanuel, Jr.; loved ones, Brianna, Taylor and Regan; special cuzs, Tara, 8Tank, Bear, Bugs, Baller and Meek; one special and devoted aunt, Barbara Walker; his love, Sierra Johnson; and a host of cousins, great aunts and uncles, other relatives and friends.

“ Hey my son/ my beast..today makes five years since I seen you walk out our door,on a Friday also.I ask our heavenly father to give comfort to your sister,kids, sierra,nieces& nephews and all of the people who showed u love when u was here on earth.Im so glad u had a strong relationship with our GOD for surely you are in his lovely mansion plus he showed me where you were and that makes my heart & mind full of joy whenever sadness comes upon me when it hits me hard that u r really gone.Your sister is still having a hard time dealing with you not being here but she stands strong for my sake.We all love you and misses you.,BUT the good thing about it is that my love for our GOD will allow me to unite with you when I expire.RIP my child..my love for will never falter.

Hey son..well tomorrow(20th) this month of nov year 2018 makes three years that you have now been gone from our lives..i miss u rell..i love u rell..i still grieves for you as of this moment..at first forgiveness was hard for me to put upon your friend but the matter that you was made of..loyalty..courage..strength..and love gave me no choice but to forgive the person who was responsible for you not being here..your character was not about holding grudges..after all..it was just an horrible accident.GOD could have save you and granted you more time but as you know..he is amazing and knows the correct way of healing you..GOD saved your soul rell..he would not allow the evil one to have you..i thank GOD every day for saving you.He takes the good..the short time you was home ..u made a great impact on a lot of lives..your job was done..here anyway..but not where you at..i feel as though he needed you to continue with his work up there..DURELL , GOD showed me that you made it home to him..thats what keep me going..im glad that he loved you..my son..so much..What an honor!!! Rest my son..i will join you in the clouds when our GOD send for me!! Love you my Beast

“ Hello, my name is Joy. Please accept my condolences for the loss of your loved one. What I've found comforting when dealing with a tragedy is encouraging scriptures from the bible. For example, the bible offers comfort from knowing that God feels for us when we suffer (Zechariah 2:8). Another comforting scripture is at Psalm 37:9-11, where it gives us hope that all suffering will end. Jehovah gives us the strength to deal with these distressing times like these so we are able to cope. My thoughts and prayers are with your family.

Sincerely,
Joy Saunders
