“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

*David the struggle is over, heaven has gained another angle. Eventhough we didn't see each other as often as I would have love to, there has always been a place in my heart for my big brother. I thank God for the good times he allowed us to share. knowing that you are a man of Gods and you've accepted Christ into you heart as you personal savior have given me peace. I know you're in heaven dancing with the rest of the angles, so until we meet again big brother, rest in peace. Gone but never forgotten. Your sister Marlo*
