“ *Dwayne J Daughtry will be greatly missed by many . Very talented well known for being one of Baltimore finest DJ's to entertain the public . Worked as as a devoted nurse of mentally ill & special needs individuals . Father to six children whom he admittedly declared he loved very much . Very friendly love to talk chop it up with many he grew up with reminiscing about all the good times. Love for keeping in contact and staying close to his siblings and long time friends . He had a special relationship with cooking and eating good foods. God brought him home he's in good hands and don't have to suffer or contend with any longer this worlds agenda . Love him dearly more than any will ever know . Mother of two of his boys Mario & Dwayne Jr.*
