“ I have known Ed for over 45 years. We met in the early 70s and we became friends as well as our relationship as lawyer and client. I watched him build his assets in real estate from one building to many as well as his successful business. He was a smart and wonderful man, and I will miss him very much. To his family, we would like you to know how much we appreciated Ed's goodness and kind heart. We attended the funeral service from home, and reflected on our wonderful remembrances of our time with him. Jeff & Terry Zwerdling

*Uncle Ed and I had some really good times after I moved to Richmond and we would get together and talk about the good times we had in Pee Dee. He always was so up beat and quick to offer any assistance or guidance that he could give and I enjoyed tapping into that wisdom for guidance. I am thankful for those times and will miss seeing you and yelling out "Uncle Ed" and everyone turning and looking as I rushed to get a hug and words of wisdom. You were and outstanding man and role model and it has been a privilege to have someone like you with your character as part of the family.*
