

Earnest Lee Wyatt

June 11, 1951 - February 24, 2026

Legacy of Love

Earnest Lee Wyatt “Pipe” entered into eternal rest on Tuesday, February 24, 2026, at home. He was born on June 11, 1951, in Montpelier, Virginia, to the late Susie “Q” Etta Wyatt and James Wyatt.

He is preceded in death by his brother, James “Bubba” Wyatt; a sister, Susie “Newtney” Shelton, and his father-in-law, Phillip Robinson.

He loved being outside, always extending his hands to help others. Everyone he came in contact with loved him as well. He always talked about having a son. Well, that wish came true, September 1994. He also always said that he’ll get married when he’s 50. Needless to say, that wish also came true on his 51st birthday, June 11, 2002. He was a loving husband and devoted father. He received his education through the Hanover County Public School System.

He retired from Henrico County in October 2013 after serving 35 years of dedicated service. “He’ll be greatly missed and forever in our hearts”.

He leaves to cherish his memories, a loving and devoted wife, Gloria Wyatt; four daughters, devoted Kierra Turpin, devoted Kenisha Coleman, Diana Robinson and LaWanda Christmas (Tyrese) one son, devoted Brandon Wyatt;

five sisters, devoted Brenda Wyatt, Kathy Winston, Patty Winston (James), Patricia Lucus (Chester), Shirlene Johnson; one brother, Randy Wyatt (Doris); one uncle, William Thomas (Emily); mother-in-law, Virginia Robinson; eight grandchildren; four great-grandchildren; two sisters-in-law, Pastor Cynthia Perkins (Micheal) and Phyllis Robinson; a host of nieces and nephews and other relatives and friends.

“ A memory that sticks out most for me of Lee;
I remember he use to make spoon bread with molasses (because of him I have come to enjoy those two) for breakfast when yall lived in the town houses. And he never called me Angel lol 😂 he always said Angie.....And you can always count on Lee having one hand in his pocket whenever he wasn't fixing something or helping out someone. my deepest condolences 🌸 to you and all the family..... gone physically but will always be with us spiritually

“Where do I start. I have so many great wonderful memories over the course of years I don't even know where to begin. Those memories include laughter and great conversations and humor and jokes. I will definitely miss all of the laughs, jokes, and interesting conversations we had. You was a dad full of humor. Those memories I will treasure for a lifetime. You always listened with great patience and understanding. You were a gentle presence but was a solid rock where it count the most. You took care of your family and home each and everyday. You was also a very hard worker. You was a giving father that liked seeing others happy. You always gave selflessly. There was not a person you did not become friends with. You were very easy going. You was always there getting the job done with no complaints. Now you can rest in perfect peace. There is no suffering and no pain in God's beautiful home of glory. That is something to rejoice about. There is no sadness and sickness in heaven only peace and happiness. I pray you have found it. You will be missed dearly by many. I will forever cherish the laughter, the jokes, the humor and conversations we shared. Sometimes all we had to do was look at each other as if we knew what the other was thinking and start laughing. That's all it took. We had that kind of bond since day one. As early as I can remember until the end. Since day one you always put a smile on my face and was always there with just a call. I will truly miss that. You may be gone but the memories are not. They will live forever. You will forever be in my heart and special to me. ❤️❤️❤️❤️

Your Daughter, Kiedy (Kierra)

“ 11,499 Days

*11,499 days with you by my side.
A lifetime of lessons I could never deny,
even if I tried.*

*You showed me what strength looked like.
Not just in words, but in how you lived
strong, proud, generous, confident,
the true definition of selfless.*

*You would give your last just to make sure I had.
You would go out of your way
just to support me,
just to see me win.*

*And I'll never forget the way you looked at me
that pride in your eyes.
Even in the moments when I felt like I fell short,
you never saw failure.
You just saw your son.*

*Your memory will live on through me.
Every win.
Every accomplishment.
Every milestone I reach from this day forward
will carry one thought in my heart:*

Make Dad proud.

*Because even now,
after 11,499 days,
your impact on my life
is still guiding my steps.*

I love you, Dad.
