“ *I extend my most heartfelt sympathy to the family on the loss of your loved one. Death is an especially sorrowful and painful event in our lives, that Jehovah God never intended for humankind to have to endure. His desire when he first created people was for them to live eternally in beautiful, peaceful surroundings. That is still his purpose for us, and soon, according to bible prophecy a wonderful ressurection will take place, and millions who have died will be brought back to life. John 5:28,29 says about this, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. So if we"re faithful we will see our loved ones again in paradise conditions. Psalm 37:29 tells us, "The righteous themselves will possess the earth, and they will reside forever upon it." I pray you are strengtened by his word, and your precious memories.##imported-begin##R

“ The lost of a loved one has an overwhelming impact on all and especially the immediate family. The pain and suffering alone is very hard to bear and no one should ever have to experience such a dark and sad time in life. However it seems to be no escape no matter the cause. I extend my deepest sympathy and thoughts of encouragement from the one who can remove such pain and grieving sorrow from the human family, that one is the Almighty Jehovah God. Jehovah is saddened over how life has turned due to the course of actions of our first parents Adam and Eve. However, because Jehovah is a loving God he has promised the offspring's of Adam and Eve a way out. In the near future He said death will be no more and the things that causes death will be no more according to Rev 21:3-4. This promise of life has always been Jehovah God's purpose for mankind according to Titus 1:2. This is a promise he can't lie about. Hebrews 6: 18 states of Jehovah God, it is impossible for him to lie. That is an encouraging hope. Also for those who suffer with all sorts of illness Isaiah 33:24 says it will come a time no one on the earth will say they are sick and the lame will walk Isaiah 35:6, the blind will see, Isaiah 35:5 and the greatest promise of them all will be when Jesus Christ will call all those in the memorial tombs to come out. Yes our loved ones will be blessed with a resurrection to life right here on earth. John 5:28-29 Yes Jehovah will resurrect those back to life to enjoy everlasting life with all their families and friends Ps 37: 10 states the meek will inherit the earth and reside upon it forever according to Ps 37:29. It's truly understandable since our heavenly father created the earth for man to live according to Isaiah 45:18. We can truly trust in God's written word because nothing he says will not return without results Isaiah 55:11. So we can dry our eyes due to the tears of sadness but tears of joy will flow when we can once again enjoy the lives of our loved ones temporarily lost to death.##imported-begin##B

“ My sincere condolences for the loss of your loved one. The Bible gives us much comfort in this regard. Acts chapter 24, verse 15 assures us that "there is going to be a resurrection." May you receive much comfort and strength as you think on this promise of the Bible.##imported-begin##Sharon Hill##imported-end##
