“ *My condolence to the family of Louis Calloway. I hope that you will take comfort from the Bible; read it daily, mediate on what you read. You will find that God promises that our loved ones have the hope of the resurrection here on earth in the near future.*

“ *My condolence to the family. It times like these that we need comfort from the Bible. The Bible promises that our dear loved ones have the hope of the resurrection hear on earth in the near future we find this promise at (John 5:28, 29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment. The resurrection is possible because God sent his Son to give his life for us. So it is an expression of Jehovah's love and undeserved kindness.—Read John 3:16; Romans 6:23.*

“ I am very sorry to hear of your loss, please accept my deepest sympathy. May you find comfort in family and friends at this difficult time. The Bible also offers words of comfort and speaks of a time when death, pain and suffering will be no more at Revelation 21:4. Again, I pray this message brings you much comfort.
