EDDIE JUNIOR GOLF II, loving son of Pam Smallwood and Eddie Golf Jr., was born on July 14, 1980 in Baltimore, Maryland. He departed this life suddenly on January 2, 2007. He received his education in the Baltimore City Public School System. After completing his education, he was employed at several jobs. The most wonderful and exciting day of his life was the birth of his handsome son Elijah, Oh! If you could have seen His smile. We'll miss those smiles, his laughter and his jokes. He had such a good sense of humor. He leaves to cherish his : his mother Pam Smallwood; his father, Eddie Golf Jr; sister, Shanika Smallwood; son Elijah Golf; niece, Teshyra Snowden; three uncles, Dwayne and loving aunt, Tonya Henley; cousins, Toys, Leroy, Tiesha, Lamont, TyShawn; a devoted friend, Kristina Crawley; a host of other relatives and friends,

“ Dear Eddie, 🌸  
I love you!! I think about you everyday your smile and mostly them eyes. Those eyes got me every single time, we were best friends. I thank god for allowing us time together your memory I hold close to my heart. I remember coming over your house after school with you and Shanika talking to your mom and spending Christmas together. When I heard the news you were gone my heart sank and I couldn't breathe. I instantly started to cry, for week I cried because I never got to say goodbye. Not my Eddie!!!! I was in total shock and disbelief. You are truly missed and I will always cherish your memories. I'll love you forever!! 💋

“ Hey Eddie, Me and Elijah miss you sooo much. You know Im doing good though, our son is so smart and tall! He has that head just like you ! I told you... Man, Eddie you are in such a better place, its so much stuff going on out here. But every laugh and cry Elijah and I share with each other it hurts me to my heart that your not here to share with us. I've been through some things with friends of yours but you know I am strong and never will let anyone or anything bring me down. Eddie since the day I knew you were gone, I knew you had to be holding me up to live through this. I couldn't believe that I could still function without you there. You know how I acted and worried when I didn't get through to you on your phone and now that I can not talk to you it hurts. We've been through it all for almost 4 years and not one day went by that I didnt speak to you. I listen to the conversation I recorded on my phone all the time. I just wish you were here for Elijah, he really needs you. Its been 2 years and I STILL can't believe your gone. It's like it hurts more as the time goes by. Eddie no matter what and who you will always be number one n my heart. Love Always, Your #1, Kristina and your only son, Elijah Neiko Golf. I love you Eddie Junior Golf the 2nd 3rd and the 4th.##imported-begin##Kristina##imported-end##
