“ I've known Eddie & his family for over 40 years and we never lost contact even through we now live in different states. My daughter and I got to spend time with him in August. We talked about the "old" days and I showed him a pictures album of folks from yesteryear; we have a good time that Sunday. He touched a lot of lives from the young to the old; he never met a stranger. I know that he is in his new home laughing ang cooking up a storm. Rest Peacefully My Dear Friend
