“ *Please accept my condolences for the loss of your loved one. First Corinthians 15:26 tells us that our "enemy death" will be "destroyed". John 5:28,29 reveals that those in the "memorial tombs" will come back to life. For many this will occur on a paradise earth with no more death, sickness, sorrow or pain. (Revelation 21:3-5, Psalm 37:29, Isaiah 33:24) May you receive much comfort and strength as you think about these promises from the Bible. And may you draw close to the maker of them Jehovah God and to his Son Jesus Christ.##imported-begin##Sharon Hill##imported-end##*

“ *To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##*

“ Please accept my heartfelt condolences for your loss. As devastating as death is, there is a rainbow over the horizon, because God promises to wipe out every tear from our eyes, and death will be no more; neither will mourning nor outcry nor pain anymore. Those former things will pass away. Rev 21,3-4. Then Daniel 12,2 lets us know that many of those asleep in the ground of the dust will wake up. May the thought of one day being reunited with your loved one again strengthen you, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##
