“ *I worked with Edna on the mother-baby unit at St Joseph Medical Center until she retired. I learned so much from Edna when I was a new nurse. She had fine tuned the true art of not only taking care of people, but also about how to care for and about them. Her whole heart went into her work. The patients loved her, as did her co workers. She was indeed a treasured friend and co worker. I saw her sometimes after her retirement and she spoke about coming back to volunteer , but as she said there was just so much to do! So, I know she was always on the go and doing things to help people even after retirement.*

God bless dear Edna. She was indeed a good and faithful Christian and served the Lord in the care of all people. I know now that her work here is complete she is with Him now and safely at home.

My prayers for comfort and peace for her family. I know you miss her and offer my deepest sympathy.

“ I just heard of Edna’s death . I want to offer my sincere condolences to her family . I worked in Labor & Delivery at UMSJMC for many years while Edna was working on the Mother Babu Unit. I remember her as a cheerful , kind ,caring person and an exceptional nurse . I always felt reassured when I transferred my patients to her care after they delivered. I knew they were in loving , competent hands with Edna caring for them. Thank you , Edna . With Deepest Sympathy , MariaPerticone

“ The death of a loved one is hard to bear. May your family draw strength and comfort from God's promise at Isaiah 41:10: “Do not be afraid, for I am with you. Do not be anxious, for I am your God. I will fortify you, yes, I will help you, I will really hold on to you with my right hand of righteousness.” Please accept my heartfelt condolence for your loss; your loved one will be truly missed.
