“ *Dear family, please accept my condolences for your loss. Sickness and death was never a part of God's purpose for people. He created Adam and Eve with the prospect of everlasting life in a paradise earth. Even though they rebelled against him, his purpose has not changed. One day this earth will be a pradis, full of happy, righteous people, living in peace and security. Psalm 37:29 says, "The righteous themselves will possess the earth, and they will reside forever upon it." Although in biblical times people lived for 700, 800, or even 900 years, it is God's purpose for people to live forever and never die. As for the dead, they will be brought back to life in the ressurection. John 5:28,29 says, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." They will indeed hear the voice of Jesus, the son of God, and they will awaken from the sleep of death. This Jehovah makes possible by means of his great love for mankind. May you find comfort in his promises, and may your precious memories, which death can't erase help you to cope with your grief.##imported-begin##R Johnson##imported-end##*
