“ *Every time we work in our yard or plant flowers we remember Edna. Living next door to her for 10 years was one of our greatest gifts of living in Richmond. We loved to hear her stories of growing up and we shared many laughs together. It was a privilege to have her in our lives. Bill and I admire all of her nieces and nephews who took turns staying with her so that she could stay in her home. You are all to be commended for your care and devotion to your aunt. What an amazing family of an amazing woman.*
