“ Please accept my condolences on the loss of your loved one. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. However, there is a source of comfort for us. God's Word, the Bible assures us that "the Father of tender mercies and the God of all comfort...comforts us in all our tribulation." 2 Corinthians 1:3,4. It also offers us the solution to our source of distress at Acts 24:15 and John 5:28,29. Please contact me if you would like to discuss this wonderful provision further.##imported-begin##Gwen Winston##imported-end##

“ Words can't express the pain, weakness, and regrets that we all feel. Words can't express the joys while you were here. For words can't express how much we miss you dear. Words can't express the hurt that your family is feeling. Baby I miss you so much I remember our last visit you hugged me and kissed me dear. You told me that you loved and that you were ready to do the right things. I guess god had other things in store for you but We are miss you dear. Words can't express the grief that I feel. Baby for you are in a better place where you have life as dear. Little Edward I miss you and love you dear. Baby I love you.##imported-begin##TOYA##imported-end##

“ Barbara: Words don't express how we all feel about this and how sorry we are this happened. But faith, reliance on your friends and co-workers will help and so will time. It is not a substitute but it will be a help to you and your family. If you ever need to talk, despite the fact that I (Robert) talk a lot, we are both good listeners. Best regards, Robert and Barbara##imported-begin##Robert Hartge##imported-end##

“ *WHEN TOMORROW STARTS WITHOUT ME* When tomorrow starts without me, and I'm not there to see; If the sun should rise and find your eyes all filled with tears for me; I wish so much you shouldn't cry the way you did today, While thinking of the many things we didn't get to say. I know how much you love me, as much as I love you, And each time that you think of me, I know you'll miss me, too. But when tomorrow starts without me, please try to understand, That an angel came and called my name, then took me by the hand. She said my place was ready now in heaven far above, And that I'd have to leave behind all those I dearly love. But as I turned to walk away a tear fell from my eye, For all my life, I'd always thought I didn't want to die. I thought of all the yesterdays, the good ones and the bad, I thought of all the love we shared and all the fun we had. If I could relive yesterday, I thought, just for awhile, I'd say goodbye and kiss you and maybe see you smile. But then I fully realized that this could never be, For emptiness and memories would take the place of me. And when I thought of worldly things that I'd miss come tomorrow, I thought of you, and when I did, my heart was filled with sorrow. But when I walked through Heaven's gates, I felt so much at home, When God looked down and smiled at me from His great golden throne. He said, "This is eternity and all I've promised you. Today your life on earth is past, but here it starts anew. I promise no tomorrow, but today will always last, And since each day's the same day, there's no longing for the past. But you have been so faithful, so trusting, and so true, Though there were times you did some things you shouldn't do. But you have been forgiven, and now at last you're free. So wont you take My hand and share My life here with me?" So when tomorrow starts without me, don't think we're far apart, For every time you think of me, I'm right there in your heart. “ I am truly sorry that you lost your dear child, brother, grandson, and friend in death. May Jehovah comfort the family and friends at this sad time. I especially feel for Edward's mother, because there is no love like a mother's love for her child. I know, because I lost my son as well 10 years ago, and even though the pain has eased quite a bit; it never goes away completely. What comforts me is the sure hope of the resurrection. When Jesus was on earth he demonstrated the power of God by bringing many back to life including Lazarus who had been dead for 4 days, and a 12-year old girl. Please read John chapter 11. At John 10:10 Jesus lovingly tells us, "I have come so that they might have life, and have it in abundance. Yes family, one day soon we will rejoice in seeing our loved ones come back from the grave to live forever in peace and happiness. At that time Rev 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more neither will mourning nor outcry nor pain be anymore. "The former things have passed away." And the next verse says , "These words are faithful and true. So everything Jehovah promises, will without fail come true. So mom you will see your son again, as long as we are obedient to God, and do his will, he will fulfill his promises. May that comfort you, and mon if you need someone to talk to; someone who's been there, please contact me through my e-mail address any time. Peace be with you.##imported-begin##R Johnson##imported-end##

“ SON I miss you so much son your smile, your laugh, you acting like a clown. I miss everything about you be it good or bad. I am so glad that the last words that we said to each other was I LOVE YOU but I never thought that would be the last time I would hear your voice or see you alive. Son when someone took your life a part of me went with it. I never wanted this day to come I really miss you and it so hard I really just want to wake up from this nightmare. I always said I love you but GOD loved you more and He took you home with Him but I still don't want to be without you but again GOD knows best I LOVE You so much Son and you are truly miss. Son you will and are always with me in my heart but I want you in the Flesh as well. Your Loving Mother###imported-begin##Your Mother###imported-end##

“ Hello ! Curtis ! I would like to send my fellow feeling to you all, the family & friends. Edward was almost 17 years young. Death broke the circle of life for your family. There was so many things Edward could be still doing with his family and life. Your heavenly father knows how you all are fairing these days and is there to give comfort to all as 2 Cor. 1:3 says in all our trbulations. The bible holds out so many wonderful things for us in the near future such as the resurrection and being able to live forever never being apart from our dear loved ones like Edward. I hope these words will prove to be uplifting to read. May all the cherished and happy times and precious things shared with Edward support your all faith to keep close to our creator. Sincerely, Lillian Crosby.###imported-begin##Lillian Crosby###imported-end##
