“ You will always be missed because of the friendship that we had over 32 years. We could still laugh and remember days of now and of yesterday. You were a great friend to me and I truly miss you. There's not a day gone by that I don't think about you. I'll never forget all of the great times that we had over the 32 years and will always keep that shining light in my heart for you! You gave life to 2 wonderful "gems" who will live in your footsteps forever!! I'll meet you at "circles and squares" someday!!!##imported-begin##George##imported-end##

“ *Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
