“ I wish to send my heartfelt condolences to the family for the loss of Edward. It seems so unfair when we lose a loved one, and it's certainly something so hard to come to terms with. When we read God's holy word, we find that death was never his desire for people. He created Adam with the prospect of everlasting life, but unfortunately he chose to rebel against God which ultimately led to his death and the death of all his offspring; including us. But thanks be to our loving heavenly father who didnot hold us responsible for Adam"s choice, and through his son, Jesus, has made the way out for us to be free of this terrible legacy of sin and death that Adam and Eve brought upon us. 1st Cor 15:22 confirms this when it says, "For just as in Adam all are dying, so also in the Christ, all will be made alive." Jehovah God has given his beloved son all authority to ressurect the dead back to life, and one day they will hear his voice and come out of the memorial tombs. John 5:25-29. May you find much comfort and joy in all that Jehovah has promised.###imported-begin###R Johnson###imported-end###

“ Please accept my condolences for the loss of your loved one. Acts 24:15 lovingly declares "there is going to be a resurrection". Also, 1 Corinthians 15:26 informs us that our enemy death will be destroyed. May you receive much comfort and strength from this wonderful hope found in the Bible.##imported-begin##Mrs. Sharon Hill##imported-end##
