*Eddie. I will always have many fun memories with you at the Dry Dock, but i think the most heart warming, was the year we cooked Thanksgiving dinner for the Coasties who got stuck in Baltimore. They were upset because the couldn't get home to their families. So we decided to cook for them and be their family for the day. It was such a nice day. You will be missed but never forgotten. True friendship.*

Laura, I am just seeing this post. Oh, Laura, you would have adored Eddie. Eddie loved everyone. He loved to dance. Eddie would have loved you also. I know you probably won't be on here again, unless I tell you I read your comment and I commented also. Thank you. Love. Helen.
