“ *I am so sorry to hear of your loss of your loved one. The Bible makes it clear that God did not originally intend for humans to die. Jehovah promise according to Rev. 21:3,4 that death one day will be no more...Being that he is the God of love (1 John 4:8) he has made a provision as for those we have lost in death. John 5:28,29 informs us that those in the memorial tombs will hear God's son voice [Jesus] and will awaken from death. How wonderful the day when we will be able to enjoy our lost loved one. These promises have brought comfort to millions. I hope you will find the same comfort.##imported-begin##McNeil##imported-end##*

“ To the family. I could not imagine such a loss, so I ask that you please accept my wholehearted condolences, knowing that I surely could not fully understand how you feel. I would just like to leave you with a comforting scripture that gives us not only hope for the future, but also some relief in our time of mourning. John the 5th chapter, verses 28 and 29 says, "Do not marvel at this, because the hour is coming in which ALL those in the memorial tombs will hear his (Jesus Christ) voice and come out." Yes, in the very near future we will have the wonderful opportunity to welcome our dead loved ones who have fallen asleep in death back to life, right here on a paradise earth. (Psalm 37:10, 11, 29) May the words found in the Bible ease your pain as we await the fulfillment of these promises.##imported-begin##Sausha S.##imported-end##
