

Elise Mead Barmer

December 13, 1910 - May 20, 2002

Elise M. Barmer, daughter of the late William Barmer and Rosa Barmer was born on December 13, 1910, in Boykins, Virginia. She departed this life on May 20, 2002 after a short illness. She was the mother of three children, Juanita H. Allen, Russell Barmer and the late, Conrad Barmer. Elise received her high school diploma from Douglas High School in Baltimore, Maryland. She worked for many years at Hutzlers department store and Rukert Shipping Company located downtown Baltimore. Elise Barmer experienced a profound religious encounter with God and accepted Jesus Christ as her personal Savior. She became a devoted Christian. She encouraged and gave words of wisdom to every one she meet along the way. She survived to physical trauma's racism, lived through the depression and became a light that would guide her family through. She was the last of her immediate family but her words and memories will live on. They will be carried on, in the hearts and minds of her family and those who knew her well. Although she has gone on to be with the Lord, she takes with her the heritage and history of her family. She will be greatly missed. She leaves to mourn: her son Russell Barmer, her daughter, Juanita Allen; two daughters-in-law, Alice Barmer and Dorothy Barmer; grandchildren and great grand children and other relatives not located in Baltimore, Maryland and friends. "Wisdom, stubbornness, strength and sheer courage these are the attributes we will always remembers."
