“ *I am so sorry to hear about the loss of your loved one. I am only 12 years old, but I can remember the sadness I had when I lost my best friend. If you draw closer to the Almighty God Jehovah by reading the bible and praying to him he can help you to cope with your loss. Revelation 21:4 says....And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore the former things have past away. So you see in the very near future all these things will be put to an end. I hope this scripture will comfort you the way it has comforted me.##imported-begin##Bria Norton##imported-end##*

“ *I am so sorry that you had to undergo the pain of losing your loved one. Death is something that should not be. It was never God's purpose for people to die, but unfortunately that is the way things are for now. Thankfully, he has not forgotten the plight of mankind, and he has a loving purpose to rid the earth of violence, sickness, old-age, and even death in the very near future. He first created a paradise for mankind to live in, and it is still his purpose for the earth to be a paradise. Psalm 37:9-11,29. 2ndPeter 3,13. Also he hasn't forgotten the dead, and he promises that one day he will restore their lives back to them. Acts 24:15 tells us that there will be a resurrection from the dead. May you find comfort in these promises from God.##imported-begin##R Johnaon##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
