“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ From family cook-outs to road trips...
The two of you were always on the go...
The most common reaction to death is to ask why...
Why you, why now, but the answer to that no one knows....
This news weighs heavy on my heart, and seems so unreal
I am still asking why you, why now, what's the deal...
James and Liz, the two of you traveled the road in life as one...
It's just so hard to believe that your journey is done....
I know you will be shining down as you watch over your son...
May you continue your journey together, not as two souls but as one....
You will be missed
