“ *Ellen (Ellie) was a dear friend and colleague. We worked together at the Maryland Disability Determination Services. Ellie was a gentle, beautiful person. She was a dedicated employee, very good with her work, and availed herself to assist others in and out of the work setting. She is already missed. My sincerest condolences to her family, her friends, and everyone who crossed her path in this life. We have definitely had to say farewell to one of God's Angel's. He called her home sooner than we expected, and I hope she rests in peace.*

“ I had the privilege of working with Ellie when she was hired at the Maryland DDS in the Fiscal Department. She was a very determined and dedicated employee. She would ask questions and would find out how to perform her work properly. She would try to help anyone. Once she trusted you and felt comfortable around you, she was your friend forever. She was a very strong, and a kind Soul! She always had Hope and Faith! She was aware of other coworker’s feelings and would try to comfort them. Heaven has gained an Angel!! “ *I was saddened to hear of the sudden death of my coworker Ellen "Ellie" Williams. She was a smart, hard working lady, who kept herself, abreast of education, investing and would always pass forward any information that she felt would improve a person. We had many talks as stopped by my desk when time permitted to discuss many topics. So sorry you did were not able to retire to do the things you were so passionate about.*

*Rest in Peace.
