“ *I send my heartfelt condolences to the family of Ellsworth. Many months have passed by, and I know how much you must miss your loved one. Even though time is a healer, it never erases completely the pain we feel when they're gone. One day we will be able to welcome them back again, because God promises that they will be ressurected. he has given his son, Jesus, all authority to ressurect the dead. John 5:25 tells us that the hour is coming when the dead will hear the voice of the Son of God, and those who have given heed will live." May you be comforted by the hope of the ressurection.
