“ I’m so sorry to have such a wonderful person gone from this life. Being a part of her life has been a wonderful blessing for me and my family. Her kindness, soft spoken character, and ability to reflect Christ in her everyday-person was inspiring and a joy to be a part of.

I want to say that I’m glad that she is now with her husband and I know that she is experiencing a type of joy that is incomparable to anything that has come prior in her life. But the additional truth is that it hurts to know that she is no longer here. I will truly miss her. I will miss the ability to call her and hear her voice. I will miss the peace that exuded and the loving concern she had for me when times were difficult.

I am thankful to God for her and the time that she was here on this planet. I am glad that you had the opportunity to have her in your life. Undoubtedly, you know that she was a gem and a rare person in this world.

I will be praying for your family and the loss that you are experiencing. I will be praying that you, more than anything, think on who she has been in your life and who she represents, which is Jesus Christ. Although she is no longer here, the person that she trusted in her life... the person that lead her to love you the way that she did... He is still with you. All that was great in Eloise is found in the person of Jesus. I will be praying that the Holy Spirit comforts you at this time and that He is strongly with you in a way that allows you to survive this hurdle.

I praise God for Eloise and I praise God for you, as you had the benefit of being loved by her and her fantastic husband.

Amen.

Eloise has blessed my life through phone calls and greeting cards, but most of all through her Godly spirit.

When I first met Eloise face to face June of 2019, her radiance captured a warm and loving spirit as she greeted me with a bottle of honey. Oh, how sweet and such an amazing representation of a child of God, exemplifying His love, as we embraced. A pure jewel!

I thank God for connecting us through my sister, Shirley Cypress who shared her dear friend in Maryland with me; as I reside in Hampton, VA. Look at God!

The joy of meeting Eloise was truly a blessing and I'll forever cherish that time.

God has picked another beautiful flower for His garden, so to the family, I say, Rest in the Lord and be at peace.

Prayerfully, With love

Your mother/loved one was a beautiful,

“ *My name is Linda and I worked with Eloise for many years at Michigan Rehabilitation Services in Detroit, MI. She was a very caring and compassionate person. She cared deeply for the customers she served. Eloise would always talk with me about my two kids and nieces and nephews. She would give me advice on how to handle them. After Eloise retired she would still call me and she would always remember the names of my kids and nieces and nephews. The Lord has a great person in his garden now. RIP Eloise.*

Sister Eloise was a faithful member of the Thursday Noon Bible Study at the Peoples Community Baptist Church. Her thoughtful comments and prayerful insights provided encouragement to the entire class. Sister Eloise will also be missed at the Understanding the Bible Adult Sunday school class. We will certainly miss our Sister Eloise but we do know God has truly blessed us to have known such a gracious and humble follower of Jesus Christ.

Eloise and I met at work (State of Mi). She was always kind and caring to everyone. She was very supportive and always willing to listen and pray with you and for you. She was truly a blessing to be around. She was a great co-worker and friend. She will be missed. She really carried herself like a child of the Most High. Eloise loved the Lord and it showed. We will meet again.

My name is Teresa King. Eloise and I have worked together since 1989 with the state of Michigan. Eloise was the calm in the office. Her smile lit up the office. She could laugh with us as well as pray with us. Sometimes I would just sit in her office and talk to her during stressful times. We would talk, she would pray with me and she gave me the strength I needed to go on. She loved the lord. The way she carried herself let you know that. I know you quy's maybe hurting terribly. I can see her walking in with that huge beautiful smile. Rest in heaven my beautiful friend!! Love you always and forever!
