*April, my best friend, my sister that God appointed to me. I am so sorry for your loss. You stuck by your husband and cared for him exactly like you promised him in your vows. He is in such a better place. No pain or suffering. God has already given you the strength that you need to get through this painful loss. I love you and Jerome and I are here for you.

“ *El-T was not only my best friend/sister April's husband, he was family too. I met him at the very beginning of their relationship and I witnessed their love blossom and grow over the years. April was his rock and their family was his world, there was nothing he would not do for them. We will miss that big smile, that laugh, the cookouts and the football rivalry within our homes. He loved them Redskins, win or lose. You may not be present physically but we know your spirit is still with us and you are still loving and watching over your family. April, we love you and the boys and we will always be here for you all. We will continue to pray for your family and I know our Lord will give you the comfort and healing you need to get through this difficult time.*

“ *Prayer of Comfort*

You hold time within your hands, and see it all, from the beginning to end. Please keep and carry this precious family in their sadness and loss. Cover them with your great wings of love, give their weary hearts rest and their minds sound sleep. Lord, lift their eyes so that they may catch a glimpse of eternity, and be comforted by the promise of heaven. We ask all this in the precious name of Jesus. Amen

Love from the Wiggins family.

“ When thinking about Elton (el-t) it automatically puts a smile on my face. He was a one of a kind man with a positive attitude and such big heart. I worked with El-T for many years with Atlantic Tire Distributors and it was an absolute pleasure. He took so much pride in his work and it definitely showed. He will be missed by his Atlantic family. Speaking of his BIG HEART I can remember walking to the mailbox one day and getting a piece of mail from the Winston Family. El-t has reached out with a wedding gift and card wishing us the best. This touched me and my wife's heart like you wouldn't believe. I am truly grateful for having the chance to know so a wonderful person like Elton. I know that I was not the only person's life he touched while he was here with us. I hope that Elton's wife April and his Family finds peace in these tough times. El-t will truly be missed.
