“ *I would like to express fellow feeling to you all. It has been a year since the circle of life was broken for you all. Elvada was a young lady with so much to live for and enjoy as the bible say at Ecc.12:1. We can look to the future with confidence that God's will will be done on earth as it is in heaven , Mt.6:9-10.What will that means for us today, NEVER lossing a loved one in death, no pain, old age, blind one, cane, walker, eyes glasses, hearing aids, etc 1 Cor 15:26. I am so looking forward and I know you all are too. May your faith keep growing and all the many memories of Elvada support your lives on the journey of life.##imported-begin##L.C##imported-end##*

“ I am very sorry to learn of the death of Elvada. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
