“ *Miss her so much...she was my Go 2 Girl. ....and always uplifted me when relationship went South....she taught me ...how to "pick yourself up and dust yourself off " ..., how to deal and communicate with all types of people .. walks of life..and treat everyone...the same.....also..how to stand up for yourself...in the right time...and when to be polite and when to not back down ,defend yourself and go for the jugular...loved that..the element of surprise. She would tell me...brings to memory.....a time ..when an ex pissed her off ..she's complaining about me and the family..my my Mom took her sweater off..button by button...took her earrings off..and was about to fight her ..yes my ex and Mom were about to fist fight..Thank God my Dad stepped in..it was Hee Larry Us....had to..had to...side with my Mom ..Lol..note the word Ex...very very very long ride home tho*

“ *Loved ..when she had us kids ..all singing together ..in the basement ..while my Dad played the drums..however...my Mom was always the lead singer...we kids sang like birds.....like baby ..Vultures*

When I want looking . ...even when she was older....

“ The Cool thing about my Mom was..she treated my Dad' s sisters ..My Aunties..just like her own sisters..my other Aunties.. You don't see that much..it was as if she lived in 2 house holds....then it dawned on me..we did live with my Dad's family when I was born and very young...my parents were Late late Teenagers...they are Really her sisters too..and my Aunties on that side loved her like that too ...
