

Emmanuel Dean

May 20, 1965 - August 31, 2002

Emmanuel Dean, Jr., son of Mary L. Dean and Emmanuel Dean Sr., was born on May 20, 1965 in Baltimore, Maryland. He departed suddenly on August 31, 2002. He received his formal education in the public schools of Baltimore City, where he graduated from Walbrook High School. Emmanuel was currently employed as a Machine Operator for Unilever Bestfoods. At an early age, he joined Christian community Church of God, under the influence of the late Elder C. Green, where he served as and usher. He later received Jesus Christ as his Lord and Savior at Word Alive Worship Center. In 1984, he married Mary C. Dean and to this union two sons were born: Emmanuel Phabian Dean III and Kendal Tyson Dean, who preceded him in death. As evidenced by his host of friends, he was a very pleasant and likeable person. He loved life, playing basketball and hanging out with his son and friends. He will be remembered as a true friend and a devoted father, son, brother, uncle and cousin. Emmanuel leaves to cherish his memory: his loving son, Emmanuel "Man"; a very, very best friend...his heart, Kitty (Mary C. Dean); his father, Emmanuel Dean Sr.; his mother, Mary L. Dean; his mother-in-law for life, Ruth Wilson; a sister, Manette Dean-Weir; a new brother in spirit, Geronimo Evans; his niece, Whitney Halford; his nephew, Isaiah Weir; one goddaughter Ronica Reese; and a host of other family members and friends. TO EMMANUEL FRIENDS AND HOMMIESThe greatest tribute and honor you can give Dean is to get your life in order. You're here a.m. and gone p.m. Wake up, time is running out. I know a man who can give peace and joy. His name is Jesus.

Receive Him into your heart. Make Him your Lord and Savior. There is a truth I want you to be aware of. There is a Heaven and there is a Hell! Where will your final home be?

“ He healeth the broken hearted...Psalm 147:3 Sometimes words just are not enough to take away our grief, so we rely on God for help and strength in our belief. May He uplift you greatly, take the sorrow that you bear, than comfort you with healing in the safety of His care... May God's love comfort you at this difficult time.##imported-begin##The March Family and Staff##imported-end##

“ Emmanuel touched my life in such a special way. He made me realize that I do have the ability to love again. He was real. He was his own man and determined. The love he expressed for his son "Man" was so intense and pure. His strong desire to help him (Man)become the best man he could be let me know that his (Dean)heart was gold. The way he talked of his "Mom" was precious and sweet. He always said she didn't have a mean bone in her body. The love and respect he had for his wife "Kitty" was evident. I knew who his best friend was. I will miss him. I will continue to carry out my friendship by always being there. Dean knew that he could always call on me and that extends to the family. Time heals all wounds but love never dies.##imported-begin##Rachel Gibson##imported-end##

“ I have so many feelings inside that I just can't describe. Job said "Blessed be the name of the Lord!" Weeping may endure for a night, but joy comes in the morning. My prayers are with all of you. Wise and eternal God, please touch the hearts and minds of this family. We don't know why things happen the way they do. We do know that your will, will be done. Give strength along with the power to maintain and go on in your grace. Shine on us and grant us your mercy in Jesus name who is the author and finisher of our lives. Amen###imported-begin##Rachel Gibson###imported-end##

“ MY LOVE I WILL bless the LORD at all times: his praise shall continually be in my mouth. DEAN, you you have touched my life in a very special way. You will forever be in my heart. I will never question the work of the Lord and this was just in your plan. I thought we would spend the rest of our lives together but your work here on earth is done, so rest on my love and one day we will be together again. Thank you for leaving such special people(your mom,kitty and your son whom you loved with all you heart). I feel that Dean would want Kitty(his first love) and I (his last love) to remain friends forever and remind his son how much he loved him. Man your father would have given you the world if he could have just handed it over to you. Take your father's love, hold you head up and just be yourself, because that's what he was pleased with just you being you. LOVE FOREVER.. Honey###imported-begin###GINA###imported-end###

“ Manuel my heart is heavy as I recollect on our childhood years. The times we all laughed and cried together, we played and fought together. I remember the cookouts, and crab feasts. The water battles and parties. Being next door neighbors your house was my house and my house was yours. We were one big happy family. And then we grew older and both married, with your wife and I being pregnant at the same time, delivering within days of one another. God blessed us both with his gift of love, precious sons. And though its been some time since our paths have crossed you will always be part of my happy memories. Oh what a legacy you left behind in your son. Through him you will forever live.###imported-begin##Wanda Clarke###imported-end##

“ Although you might find little solace in the why behind your sorrow. The one you love is gone from here, and this changes not tomorrow. “ Emanuel III and family. Though I did not know Emanuel Jr. I am very sorry for your loss. Having lost both my parents at a young age (I was just a few years older than you are now Man), I can appreciate what you are going through. Take your time and cry when when you need to for the day will come when you'll think of him and have much more laughter then tears. God Bless and Keep You All. You are in my prayers. “ Mrs. Dean & Man, Words can't begin to express the gratitude that I have had getting to know, to share and to love your family. As you know God put certain people in our lives for certain reasons and I thank God each day for placing Emmanuel in both of our lives. As days go by things get harder and reality sits in. But thanks be to God that he gives us the understanding to go on and to look to the hills for whence cometh our help, knowing our help cometh from the Lord. You know how to reach me and please know that I am always there for you. Peace and Blessings, Shannon##imported-begin##Shannon Stokes##imported-end##

“ Hello All, It's been awhile! I thought I would let everyone know that "Man" is doing fantastic! He is living in Jacksonville Florida with his mom and stepfather. He is attending college and working. He is becoming the Man his father wanted him to become! He looks like Manuel more and more everyday! Manuel has to be proud of him! He has turned out to be a very independent, responsible, clean cut, Man of God!. We love him dearly and are very proud of him. I will try to stay in touch though this website so those concerned about Man's well being will know how he is. God bless each and everyone of you and may Manuel's life never be invain. His love and Mine, Kitty###imported-begin##Kitty Dean Evans###imported-end##
