

## Erica Danielle Fisher

September 12, 1974 - March 11, 2009

ERICA DANIELLE FISHER, daughter of Gayle Lee and the late John C. Fisher, was born on September 12, 1974 in Baltimore, Maryland. She was gently called to rest by her heavenly father on Wednesday, March 11, 2009 after a lengthy illness. She received her formal education in the Baltimore City Public school systems. She graduated from the Carver Vocational High School where she studied Cosmetology. Erica was employed at the Wyman Park Medical Center as a Medical Assistant until her health began to fail. Eager not to give in to her illness, she pursued an education in Early Childhood Development at the Baltimore City Community College. She had a passion for helping others and working with children. Again, her health prevented her from completing this mission. She attended the Star of Bethlehem A.M.E. Church where her grandmother and the church family kept her in prayer during her illness. Erica dearly loved her family; she enjoyed cooking and hosted many family gatherings. She was dedicated to her children and shared a special devotion to all the children in the family. Her door was always open with a welcome mat. "Sweet Baby" as she was affectionately called by her uncles Jerry and Andre touched many lives and will be truly missed by all. Erica was preceded in death by her brother Andre (Brodis) Jones. She leaves to cherish her memory: her devoted mother, Gayle Lee and stepfather, Russell Lee; two children, Robert and Brydgette; maternal grandparents, Jerry and Pernel Dent; paternal grandmother, Shirley Farmer; two nieces Briyanna and Morgan of Baltimore, MD; and a host of aunts, uncles, cousins, other relatives and

friends who loved her dearly.
