“ To The Caeser Family: May Jehovah God be with you and your family during this difficult time. God revealed in his word the Bible that it is his purpose that the dead be restored to life by means of a resurrection. Jesus Christ himself said at John 5:28&29 that "all those in the memorial tombs will hear his voice and come out." When a loved one dies, the Bible acknowledges the grief that a person can feel. Jesus even wept when his friend, Lazarus, died even though he knew he had the power and he intended to bring him back to life. Because of a future resurrection, I hope that your sorrow is not unrelenting. You can always draw close to God in prayer for comfort, and the Bible promises that "he himself will sustain you." Psalm 55:22###imported-begin##C Murphy###imported-end##

“ I am very sorry to learn about the death of Erlene. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span was 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ Dear Caeser family, please accept our heart felt sorrow for the loss you are experiencing at this time. Yet as we wish you to feel hope of seeing your loved one again please read John5:28,29. Where Jesus assures us that all those in the memorial tomb will hear his voice and come out. So, we will be together again with our loved ones, and the judgement will be one of taking in knowledge of the only true God Jehovah and the whom he sent forth Jesus christ John17:3. “ Dear family and friends of Erlene, i am very sorry to hear about the lost of your loved one. Death is never an easy thing to go through because it is not what our creator had planed for us. You may find comfort in knowing what the bible says at Rev 21:3,4 where it talks about a time when death, sickness, and pain will be a thing of the past.##imported-begin##A. Jones##imported-end##
