“ My deepest sympathy on the loss of your loved one. Death is a difficult thing to deal with, but the scriptures give us hope. We are promised at Acts 24:15 that "...there is going to be a resurrection..." Almighty God promises us that we can see our dear loved ones we have lost in death again. May this hope take away a little of the hurt you are dealing with during this time of mourning.##imported-begin##Sandy Sloane##imported-end##
