“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hello Nash Family! May you take comfort in knowing that others cares. Death hurts all of us. Our heavenly father knows how we feel. The bible helps us get through hard times like these in losing a love one in death. Jesus said that the time is coming very soon death will be no more. Martha and Mary find comfort from Jesus at John 11:5-44. We look forward to see our love one again .Death and sickness and pain from tears of sorrow will be no more. The greatest news ever. I hope these few uplifting words have been some comfort. My sincere condolence. Lillian Crosby.##imported-begin##lillian Crosby##imported-end##

“ Please accept my sincere sympathy. Death is such a heartbreaking event that we all have to deal with sooner or later, and we all long for an end to sickness and death. The early books of the bible lets us know that people lived for as long as 800 or 900 years old. Methusaleh was 969 years old when he died. Just the fact that those people lived so long helps us to appreciate that God's purpose was not for people to die, but to live forever in paradise; such as could have been the case for Adam and Eve if they had been obedient. Malachi 3:6 tells us that God has not changed.' So it is still his purpose for people to live forever in peace and happiness. One day dear family there will be no sickness, their will be no death on this earth anymore, and Acta 24;15 lets us know 'There will be a ressurection of the righteous. Please be comforted by Jehovah's promises, which will one day become a reality.##imported-begin##R Johnson##imported-end##
