“ I send condolences to the family for the loss of your beloved Earnest. When we lose a loved one the feelings of grief and helplessness can truly be overwhelming. Death was never God's purpose for us, and he promises to do away with this enemy forever. There are so many people grieving over lost loved ones. I know, because I have lost many loved ones, and I know the deep pain. But our heavenly Father is so loving and so caring that through his Son Jesus he will restore life to our loved ones. Jesus said: For this is the will of my Father, that everyone who recognizes the Son and exercises faith in him should have everlasting life, and I will resurrect him on the last day." John 6:40. May you find comfort in cherished memories.
