“ Hello Wilson's! May the family and friends of Ernestine know that others know the feeling of losing some one in death. There is hope for our dear dead loved ones . The bible say that the times is coming very soon when many of the dead will come back to life on the earth in a paradise. No more illness and pain and old age that leads to dying as Rev.21:3-4 say. I look forward to that happening and seeing many of my dead loved one too.Ernestine was 76 years old, the bible say that some would live to 70, and because of speacial mightest 80, would it not be the greatest thing if every one could live forever . I hope these thoughts have help to see how the bible is our answer to all of our quests in life as Pro.3:5-6 say. I send my condolences. Crosby.##imported-begin##lillian crosby##imported-end##

“ Please accept my condolences on the loss of your loved one. Death is truly a heartbreaking situation for any family to have to go through. We all want to be with our loved ones forever. One day soon, Almighty God will erase this pain from our hearts, because he promises an end to sickness and death forever. The bible at Rev 21:4 tells us; "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore." "The former things have passed away." One day that scripture will be fulfilled, and many will be able to see the wonderful promises from Jehovah come true. Even the dead will be ressurected according to Acts 24,15, and John 5:28,29. May your family find comfort from God's word, the bible.##imported-begin##R Johnson##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
