“ *Eslie zeal and courage to serve the Lord even in youth age was always a challenge to me. In the church we were going together, Elsie was always so kind and ready to hug and give a word of encouragement. I thank God for the precious gift he gave us to meet Eslie. I know that she is in the hands of the Father, where there is joy and peace. Be blessed Lord for Eslie's life and the great impact she left. Forever, in our hearts*

“ *Eslie was indeed light and a great friend to me. She was so BOLD for Jesus Christ and was a force to be reckoned with. When she started a bible study in high school, many, many students gave their lives to Christ every single week. She is so gentle, so loving, and so kind. She is someone I admire.*

*When I was going through a very tough time, Eslie always availed herself to encourage me in the Lord. She would call me and be sure to follow up the following morning, as well. One thing I know is that she loved me because she always told me that every chance she could. I love you, I love you, I love you Eslie.*

VI

“ *We were never really close friends but she found me crying in the bathroom in high school when I was at one of my lowest points and ask if she could pray for me. No one beside family members have ever asked me that so I agreed. I could feel how empathetic she was towards my pain like she knew exactly what I was going through and like she could feel my pain as-well. That prayer help me not commit. She was always so bright, I know shes shinning from wherever she is watching.*
