“ *Once upon a memory Someone wiped away a tear Held me close and loved me, Thank you, Mother dear. In tears we saw you sinking, And watched you pass away. Our hearts were almost broken, We wanted you to stay. But when we saw you sleeping, So peaceful, free from pain, How could we wish you back with us, To suffer that again. It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God took you home. MaMa I will miss you so much, Love You Always. Your Daughter Betsy.###imported-begin###mary rice###imported-end###*

“ If they grow roses in heaven, Lord pick a bunch for me and place them in my grandmothers arms and tell her they are from me. Tell her I love and miss her and when she turns to smile place a kiss upon her cheek and hold her for awhile. Because remembering her is easy I do it everyday. But theres and ache inside of me that will never go away. Moma, I know you are in a much better place then you when you were here. I miss picking up the phone and talking to you for hours, I am glad your at rest and you are with Darrin, Ann and My Son. I will make sure your great-grandchildren remember and know you through me. I love you and give my son a hug for me. A heart of gold stopped beating, two shining eyes at rest, God broke our hearts to prove, he only takes the best. God knows you had to leave us, but you did not go alone, for part of us went with you, the day he took you home. To some you are forgotten, to others just part of the past, but to us who loved and lost you, the memory will always last. Love Always and Fovever, Jakki###imported-begin##Jakki Goins###imported-end##

“ A butterfly lights beside us like a sunbeam and for a brief moment its glory and beauty belong to our world. But then it flies again and though we wish it could have stayed we feel lucky to have seen it. Mama you are that butterfly. Keep the ham stew warm for me. “ *Mama, I have only known you for the past 6 or 7 years but I am grateful for the little bit of time I did get to spend with you. I really enjoyed our conversations at the family gatherings. You will be missed, but you are in a much better place now where there is no pain and suffering. My thoughts and prayers go out to the Taylor family. Remember that we serve a God who is able to see you through anything. He will always be there to comfort you in your time of need and if you don't know God this a perfect time to invite Him into your life. God Bless. “ HEY GRANNY IT'S UR BEAUTIFUL GRANDAUGHTER
MONCHEL, IT WAS THINKING ABOUT SOMETHING TO WRITE
TO YOU TO EXPLAIN WHAT YOU MEANT TO THE WHOLE
FAMILY AND I ONLY THOUGHT OF ONE THING AND THAT WAS
A SONG FOR MAMA SO HERE IT IS..... You taught me everything,
And everything you've given me, I'll always keep it inside. You're the
driving force in my life, yeah. There isn't anything or anyone that I
can be, And it just wouldn't feel right, If I didn't have you by my side.
You were there for me to love and care for me, When skies were
grey. Whenever I was down, You were always there to comfort me.
And no one else can be what you have been to me, You'll always
be, You will always be the girl in my life for all times. CHORUS:
Mama, Mama you know I love you, (Oh, you know I love you),
Mama, Mama you're the queen of my heart. Your love is like tears
from the stars. Mama, I just want you to know, Lovin' you is like food
to my soul. You're always down for me, Have always been around
for me, Even when I was bad. You showed me right from my wrong,
(Yes you did). And you took up for me, When everyone was downin'
me, You always did understand, You gave me strength to go on.
There was so many times, Looking back when I was so afraid. And
then you come to me and say to me, I can face anything. And no
one else can do, What you have done for me. You'll always be, You
will always be the girl in my life. Never gonna go a day without you.
Fills me up just thinking about you. I'll never go a day without my
Mama. LOVE YOU ALWAYS GRANDMA..... LOVE,
CHEL##imported-begin##MONCHEL##imported-end##

“ To the family, I offer my sincere sympathy. When we experience the sorrow associated with the loss of one we love, it pains us like no other. God's Word, the Bible, offers us comfort. At John 5:28,29 he assures us that "all those in the memorial tombs will hear his voice and come out." At John 17:3 he also tells us what we need to do to ensure we are witnesses of this great event. I offer you an opportunity to discuss this wonderful promise in detail. Please contact me.##imported-begin##Gwen Winston##imported-end##

“ I am sorry to learn of the death of Estelle. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but was not the case in the beginning. (compare Genesis 5:3-32.) Hewbrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
