“ *To our Pastor, Rev. Henry G. Floyd, Sr. and the family of Sister Ethel C. McFadden. We know there's someone watching over all. He knows the sorrow that each heart feels today. God will give you the strength as you continue to walk what seems like a long and lonely path. Rev. you have taught us that earth has no sorrows that heaven cannot heal. This is a difficult time, but know that God is with you and will gently wipe away your tears. May God continue to bless you and your family. He is able, just keep trusting and believing. “ *I am sorry to learn about the death of Ethel. I am sure that this must have been a difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgment on sinful Adam.*###imported-begin###*JT Nunnally*###imported-end###
