“ *I send my sincere and heartfelt condolences to the Sayles family at this time. When a loved one dies many people wonder, will I ever see my loved one again? This is a very important question, because death is so final. Job, the faithful man in the bible also asked this question. At Job 14:14 he asked, "If an able-bodied man dies, can he live again? In verse 15 we find the answer. It says, "You will call, and I myself shall answer you. "For the work of your hands you will have a yearning." Yes, through his close relationship with his heavenly father, Jehovah, Job knew that he would indeed remember him at an appointed time and ressurect him back from the dead. Acts 24:15 lovingly reminds us that there will be a ressurection. May you be comforted by this wonderful promise.##imported-begin##R Johnson##imported-end##*
