“ *We like to express our sincere sympathy. Our prayers are with you and the family during this time of sorrow. Just know even though we may not be there physically, we are thinking of each of you. During this time we pray your strength in the lord and ask him to allow you to go through one day at a time, with each day being better than the day before. Aunt Ethel has her wings now and she's looking down on us smiling because she is free from this old world. May you rest in peach Auntie and we all hope to see you when it's our time. “ *Hello ! McCall's ! I would like to express my condolences to you all. Ms. Ethel was 86 years young. The bible has a intertesting thought able age at Ps.90:10, it say some of us will live in this system to be 70 years old and others because of speical mightiness 80 years old.The future has many wonderful promises for you and I ,such living in a Paradise if we obey our heavenly father and do his will, as 1 John2:17 say. The old will become young, the blind will see, the deaf ears will be unstopped, the tongue of the speechless one will cry out in gladness. I am eagerly looking forward to those great things happening soon as the bible say. May all the precious memorises of Ms.Ethel stay close to your heart. My fellow feeling to you all, Lillian Crosby.###imported-begin##Lillian Crosby###imported-end##*
