“ Please accept my condolences for it is written:
If a man dies, can he live again? I will wait all the days of my compulsory service Until my relief comes. You will call, and I will answer you. You will long for the work of your hands.

“ *The meaning of the name Ethel is Noble. The noble lady enjoyed traveling , she would hop on an Amtrak in a New York minute to visit love ones. Aunt Ethel exhibited fine personal qualities, moral principles, righteousness , she was virtuous , good , kind, honorable , honest, generous and more. Now the ultimate trip has been made back to her Heavenly Father. Aunt Ethel God's grace was upon your life. The world is a better place because of you, I am a better person because of you. I love you dear Aunt Ethel, you will be missed but live on in my heart. I pray God's peace upon the immediate family.*

“ Dear Walker Family,

We will certainly miss our famous family historian and storyteller. Aunt Ethel was kind, gentle, a lover of the Lord, and a fierce supporter of her family. We will always remember our trip to Rocky Mount and Battleboro while we listened to treasured family history. She will be missed, but never forgotten. We look forward to seeing her again in the presence of our Lord, Jesus.
